Welcome to our very first Virtual Network Conference!

Obviously, when we started this journey, we didn't have any idea what 2020 would bring, and we started this year with such vision! While so much has changed in these recent months, the "vision" that comes from God is still relevant and applicable to every one of us and our churches. So as we continue to navigate all of the challenges of COVID19, don't lose hope and don't lose focus! God is still God; we are still His Church; and, in a world where things are falling apart all around us, "Jesus is still the same, yesterday, today, and forever," Hebrews 13:8!

Within the pages of this report, you will see over and over again the faithfulness of God and God's people! Thank you for making 2019 a record year of giving through our Minister's Tithe and also with the support for Partnership for the Next Generation. These areas of giving, along with the health and growth of Legacy Financial Services, are a wonderful testimonial to God's blessings on our Network.

Thank you for your heart for missions with giving of over \$2.1 million dollars! Only eternity will reveal the true impact as we continue to reach and minister at home and around the world. Pastor Marcus and his team have done an amazing job, as always, managing the finances of our Network. Within this report, you'll see the fruits of all of our ministries, whether with our students, men, women, or anywhere you choose to pause and look. God is faithful!

I want to give a BIG thanks to our Network Presbytery and our incredible Network Office Team who are here to serve you, our New Mexico Ministry Network. They have always served so well, but especially as we've had to adjust to the ever-changing needs of this year, they have been amazing! We are grateful!

So, having received these reports, let me encourage you to browse through them and rejoice with us as we thank God together. My prayer for our time together is that you will be blessed, inspired, and ministered to so that together we can continue to serve wherever God has placed us across New Mexico.

Be blessed!

MICHEAL DICKENSON
Network Pastor

Adored Women's Conference brought 260 women from all across New Mexico together to grow and connect. Through our speakers we were challenged, encouraged and empowered to walk in God's best for our life.

Each time **Susie Larson** shared, we were reminded of the truth that God will redeem even the worst situations in our life and use it for good. **Sarah Beckman** brought an impactful teaching for our Friday session and **Kim Barnard** and her team led us into the tangible presence of God in our worship times. We absolutely loved having **Amy Dingman** from **ReMade** share with us the impact they are having in India! Friday evening, we honored **Becky Dickenson** for her 20 years of serving as our fearless leader and on Saturday morning Becky officially passed the baton of Women's Director to **Lanessa Amburgey**. Lanessa then shared a fresh vision and identity for the women of New Mexico. We are expecting God to continue to do great things in the lives of our **VIVID Women** in 2020!
